ACADEMIC BACKGROUND

Southern Methodist University

BACHELOR OF SCIENCE | MAY 2016

- Bachelor of Science In Computer Science
- Awarded SMU Memorial Scholarship, Multicultural Academic Achievement

WORK HISTORY

Front-End Developer

ACCENTURE | AUG 2021 - PRESENT

- Led front-end development across multiple projects, implementing scalable, user-centric UI/UX solutions and ensuring alignment with business objectives.
- Designed and delivered UI/UX prototypes and interactive demos, driving stakeholder alignment and adoption of modern design principles.
- Utilized React.js, JavaScript (ES6+), TypeScript, HTML5, CSS (SCSS), Bootstrap 5, Redux, Adobe Campaign, Adobe Marketo, Git, and Visual Studio Code to build and optimize web applications.

Salesforce CloudCraze Front-End Developer

IBM | SEPT 2019 - JULY 2021

- Developed scalable, cross-browser front-end solutions, collaborating with UX/UI teams to enhance enterprise applications.
- Created a React-based clickable prototype to showcase a client solution, supporting stakeholder decision-making.
- Utilized Salesforce, Bootstrap, and React to create high-performance UI solutions for enterprise applications.

Associate Web Designer

YARDI SYSTEMS | OCT 2016 - AUG 2019

- Performed ad hoc website updates and developed a standardized website template to improve design consistency and streamline client implementations.
- Integrated a third-party mockup into the company's CMS, enhancing the digital experience for a 52,500+ unit real estate portfolio across North America.
- Utilized Bootstrap, LESS, jQuery, and HTML5 to build dynamic, visually appealing web experiences.
